GLAUCOMA WEEK

Uganda joined the world to celebrated the World Glaucoma week this March 2021, 7th—13th. thank we appreciate all of you for participating in raising awareness towards the silent thief of sight, Glaucoma.

Special recognition to Kiruddu Hospital, Dr. Arunga’s Eye Hospital, Mengo Hospital Eye department, Rubaga Hospital Eye Clinic and Mulago Hospital for all the special activities like screening and sensitizing carried out. We also held two talk shows on NTV and UBC and hope this reached a large part of the population.

WHAT TO LOOK FORWARD TO:

1. Graduation of new ophthalmologists;
Dr. Faith Nakubulwa
Dr. Caroline Nalukenge
Dr. Kalinaki Abubakar
Dr.. Mulinde Ben
From MakCHS
Dr. Teddy Kwaga from MUST
2. COECSA Congress (19th-21st August,2021).
3. Release of the 5th Uganda Eye Health Manual.

Obulamu Talk show on UBC

CONGRATULATIONS!!!!

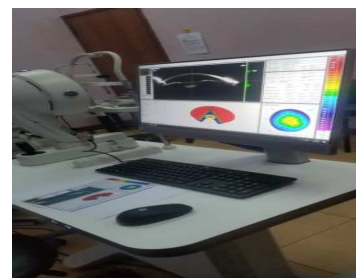

ADVANCEMENTS

Mengo Hospital Eye Department acquired a Pentacam AxL able to take corneal topography and perform optical biometry.

Synoptophore also at Mengo Hospital.

Launched the OSU website (osu.ug).

Congratulations!!!

Subscription fees to OSU are being received from all ophthalmologists and ophthalmology residents.

Remember to submit yours to Dr. Lusoby Rebecca 0773472633
